DR. JOHN BULL Manufacturer and Vender of the Celebrated

For the Cure of

AGUE and FEVER Chills and Fever.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever or Chills and Fever, whether of short or long standing. He rehowever prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETA-BLE FAMILY PILLS will be sufficient.
